

CORONAVIRUS UPDATE

24th March 2020

Following the announcement by the government, school will be closed for everyone except the children of critical workers and vulnerable children from 3pm on Friday 20th March.

Please refer to the Government guidance below – ‘Closure of educational settings: information for parents and carers’.

We understand that this is an unprecedented and challenging time. We want to try to minimise the impact on your child’s education; as such, home learning activities have been set for all pupils.

Home Learning

- Each year group has provided home learning activities, which are on our school website and will be sent electronically to parents using Marvellous Me! and/or See Saw.
- Our aim is that these learning activities will be updated on a regular basis.

Free School Meals

If your child is entitled to a free school meal, you will be contacted by a member of the Endeavour Academies Trust staff regarding e-vouchers.

If you have a query regarding free school meal e-vouchers, or need to check that we have your correct email address, please contact Endeavour Academies directly using the following email address:

accounts@macademy.org.uk

Keeping in touch

- You will receive regular updates of home learning from your child’s class teacher through Marvellous Me! and /or See Saw.
- You will receive regular school letters by Marvellous Me! These will also be uploaded to our school website and facebook page.

If you need to contact us, please email us:

archibald@mcschools.org.uk

Your email will be forwarded on to the most appropriate member of staff. It would be helpful if you could include your child’s name and year group in the email.

Thank you very much for your continued support and the kind emails, telephone calls etc. that we have received due to this unprecedented time.

Your children have handled all of this impeccably; we could not be prouder of them.

Take care,

Mrs Jefferies
Headteacher
