Dear Parents and Carers,

## **Re-opening of School to all Pupils in September 2020**

We are delighted, that following Government guidance we are able to open school to all pupils from September 2020. The first two days of term (Tuesday 1<sup>st</sup> and Wednesday 2<sup>nd</sup> September) will be Professional Development Days. Teaching staff will be in school preparing their classrooms and planning a full Recovery Curriculum in order to help ensure that all pupils are where they should be in their learning by the end of the year.

**School will reopen for pupils from Thursday 3<sup>rd</sup> September.**

We will continue to operate a one-way system on the school site - entry to the school site will be from the Heywood Street end of the school near the carpet shop) through the KS1 or KS2 playgrounds as detailed above. Exit from the school site will be via Barnaby Avenue, from the gates at the end of the school car park.

There will only be one adult per family group allowed onto the school site.

This system has operated well whilst school has been open to Nursery, Reception, Y1, Y6, vulnerable children and children of key workers throughout the Summer Term.

Any parents or carer who wants to speak to the class teacher will need to wait until all the children have been dismissed at the end of the day.

All children will be required to sanitize their hands before entering the school building. This will be supervised by staff and is in line with government guidelines. There is no requirement for children to bring their own hand sanitizers into school.

All children will need to bring their own water bottle which will be taken home to be cleaned and refilled at the end of the day.

PE kits and book bags can now be brought into school. Class teachers will let you know which days these are required.

### Classes and Bubbles

It is clearly understood by all parties that young children cannot socially distance. As such, this is neither the government's, nor our plan. Sadly, our school will not look or feel the same as it did before we closed. The safety measures imposed by the government are primarily based on 'bubbles' of children and staff – and as such, the government strategy is underpinned by these bubbles staying apart at all times. We will use this idea of 'bubbles' throughout our school

Following the opening of school to all year groups, a bubble will consist of one year group. Dedicated staff will be allocated to each bubble, with only certain staff working between bubbles –following government guidelines. Every effort will be made to ensure that bubbles do not mix at any point in the school day, including outside time and that as far as possible social distancing is maintained between bubbles.

### Lunchtime Arrangements

Reception children will be served a cold lunch in their classrooms. All Reception pupils are entitled to a school lunch at no charge (Universal Free School Meals)

All other year groups will eat their lunch in the dining room. There will be a maximum of two bubbles in the dining room at any one time and measures have been put into place to help ensure social distancing between the bubbles. All pupils in Y1 and Y2 are entitled to school lunch at no charge (Universal Free School Meals). Pupils in KS2 who are not entitled to Free School Meals are able to take a hot lunch at the new price of £2.05 per day (£10.25 per week) or bring a packed lunch from home.

### Visitors to the school site

Unfortunately, parents and carers will not be allowed into the school building without a prior appointment. This also applies for all other visitors to the school. If you need to contact the school office the best way to do this is by telephone. Lunch money can be sent into school with children and will be collected from them by our administration team. We are working towards facilitating online and remote payments.

We look forward to welcoming all children and families back to school for the start of the Autumn Term in September. The measures above are intended to help to keep everyone safe and are reviewed on a weekly basis as part of our ongoing COVID-19 Risk Assessment management.

Thank you for your continued support in this unprecedented time
