

# Archibald Primary School – Year 2 Family Challenge **Beachcombers**

<p>Write a list of the beaches that you have visited.</p>	<p>Make a list or draw the sea creatures that you can find at the beach.</p>	<p>Draw a picture of a sea creature. Can you label the parts of its body?</p>	<p>Choose a sea creature to research. What fascinating facts can you find out?</p>
<p>Write a postcard to someone in your family or a friend of when you visited the beach. You might want to include:</p> <ul style="list-style-type: none"> <li>• Who you went with?</li> <li>• What did you do while you were there?</li> <li>• What was your favourite part?</li> </ul>	<p>If you visit the beach, build a sandcastle. Take a photo to share with your class!</p>	<p><b>Get caught reading!</b> Take a photograph of you reading a story at the beach!</p>	<p>Think about how you will present your information. You could design a poster. If you have a computer, you might want to type your facts.</p>
<p><b>Floating and sinking</b> Fill your bath with water. Choose some objects. Which objects do you think will float and which ones do you think will sink? Find out if your prediction was right!</p>	<p><b>Beach treasures</b> What beach treasures can you find at the beach? Choose your favourite beach treasure to draw.</p> 	<p><b>What can you see at the beach?</b> Play I spy with someone from your family. Make a sand angel. Take a photo to share with your class.</p>	<p><b>Keeping safe at the beach</b> Design a poster to show how we keep safe at the beach. Remember to make your poster bright and colourful!</p>
<p>Bring a photograph of you at the beach with your family to share with your class.</p>	<p><b>Counting Shells!</b> Count how many shells that you can find at the beach.</p>	<p>Explain to an adult how the beach is formed.</p>
