

Year 4 Home Learning, Summer Term 1

Hi Year 4! We hope you continue to stay safe at this difficult time. Here are some activities for your children to be focusing on during the summer term.

Help the knight combat the dragons and trolls and get to the gold! Work out what the fraction of each amount is and follow the correct path through the maze.

Show your working out.

Eg. $\frac{3}{4}$ of 16, $16 \div 4 = 4$, $4 \times 3 = 12$ so go to that answer (12) and on to the next question.

Our summer topic is *Raiders and Traders*, which is all about the Anglo Saxons and Vikings. Here are some tasks that you can be researching and completing:

1. Find out when the Anglo Saxons and Vikings arrived in Britain, and where they settled.
2. Create a picture of Anglo Saxon and Viking people, and the things that they wore.
3. Make a salt dough Anglo Saxon brooch (you can find some design examples here: <https://www.twinkl.co.uk/resource/t2-h-4705-anglo-saxon-brooch-design-sheet>).
4. Make a Viking longboat. <https://www.twinkl.co.uk/resource/t-t-18457-viking-long-boat-paper-model>
5. Research, design (and make if you can) an Anglo Saxon or Viking house.
6. Research Anglo Saxon or Viking recipes and make some with your parents. <http://www.oocities.org/hollywood/set/8537/vikingrecipes.html>

Keep your Spelling and Mathematics Skills with this countdown resource - you could even challenge members of your family!

Look, Cover, Write, Check

A great way to practise **phonics, spelling patterns** or the **common exception words** listed in the UK English Curriculum.

English Activity:

It's important to keep writing! During this time, it would be a really good idea to write a diary of each day - it is something that you could look back on for years to come as a reminder of this time in our lives.

Computing:

Did you know that you can get a Lego movie app? If you love Lego, you could create your own Lego movies! There is some information about this app here (it is free):

<https://igamemom.com/free-app-lego-movie-maker/>
