

Summer 2 - Reception Home Learning Challenges

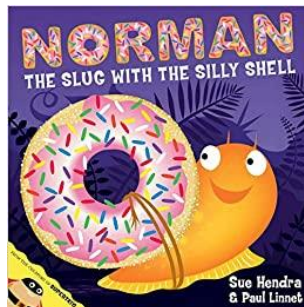

Hello everyone,

Hope you are all well. Thank you to those families that have got the Seesaw app and are sending us your work - it is lovely to see your photographs of the activities that you have been busy doing.

We are continuing with our Minibeast topic and our home challenges are going to focus on the story 'The Snail and the Whale' by Julia Donaldson.

This story is available to watch on youtube as well as the animation on BBC iplayer. The other story we are focusing on is 'Norman the slug with a Silly Shell' by Sue Hendra.

If you wish your child to return to school please contact the school office. Please keep checking the Marvellous Me App for more information and updates during this period along with the school website and Facebook page.

Thank you for you continued support and stay safe,

Mrs Verheyen & Miss Robinson
