They can also be used to learn your times tables and division facts. Start with 2, then 5, then 10. If you know all of them, learn your 3s and 4s!

Other ideas

Can you learn to tie your laces while you are off?

Can you tie them with your eyes closed?

How fast can you tie them?

Predator

Our new topic will be all about animals that

Can you design the ultimate predator?

Can you find some information about

What are dome features of

How are birds of prey different

What are predator's teeth like?

What are some of the deadliest

Home Learning Websites and Resources

Please find below a list of some of the websites offering free or trial periods of their resources. They have been broken down into different subjects but often websites do in fact cover the whole curriculum. None of these websites require payment to access so some of the obvious platforms haven't been included. Some do require you to log in or create a free account to access.

General

<https://www.doorwayonline.org.uk/> - interactive activities covering a whole range of subjects and year groups

<https://www.topmarks.co.uk/> - huge treasure trove of activities that cover a whole range of subjects. Also holds links to games etc that are hosted by other sites.

<http://www.pobble365.com/> - a new picture is shared each day to provoke discussion, debate or writing ideas.

<https://www.twinkl.co.uk/> - a huge range of different subjects and focuses, arguably the best host of any resource you could need. Have offered a free account in the result of school closures.

<https://www.weareteachers.com/free-online-learning-resources/> - lots of specific links to different sites that offer free resources or learning platforms.

<https://www.bbc.co.uk/bitesize> - huge range of different resources and information broken down into Key Stages and year groups.

<https://tpet.co.uk/> - free online resource packs.

English

<https://spellingframe.co.uk/> - spelling activities with specialist resources for each year group.

<https://subscribe.firstnews.co.uk/free-downloadable-issue/> - free online digital download of a specialist children's newspaper.

<http://myths.e2bn.org/mythsandlegends/> - vast online store of animated comic strips tracking legends and myths from across the world.

<https://thereadingrealm.co.uk/wp-content/uploads/2020/03/The-Nature-and-Animal-Realm-1.pdf> - downloadable reading activity pack.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/> - free online books – brilliant if you can't get to the library

Maths

<https://mathsticks.com/my/> - online resources and print offs with specifically broken down key stage focuses.

<https://www.topmarks.co.uk/maths-games/hit-the-button> - times tables and number bond practise

Science

<https://www.childrensuniversity.manchester.ac.uk/learning-activities/science/> - lots of science subject areas covered with resources specifically designed for primary age children. (Other subjects are also available on this site).

<https://groweatgift.com/2017/06/14/30-ways-to-go-wild-with-science/> - lots of different and fun science activities you can do in the house or garden

Foundation Subjects.

<https://www.gonoodle.com/> - lots of online videos that help keep children active inside and also teach mindfulness and meditation

<https://www.typingclub.com/> - online programme for teaching and developing touch typing

<https://groweatgift.com/2017/06/12/30-ways-to-get-creative-for-30-days-wild/> - different activity ideas that involve creating or engaging with different things in your house or garden

<https://www.youtube.com/watch?v=d3LPrhI0v-w&safe=active> - Joe Wicks has recorded various 5 minute fitness activities aimed at primary school children

<https://www.jumpstartjonny.co.uk/home> - some videos are free – dances, workouts, fitness challenges

What can you do when there's no school and you're stuck at home? Here are 25 fun ideas to choose from.

25
Ideas!

1 How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

'Learning from home is fun'

2 Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

Thanks!

3 Get building! You could build a Lego model, a tower of playing cards or something else!

4 Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

5 Start a nature diary. Look out of the window each day and keep note of what you see. Birds, flowers, changes in the weather, what else?

6 Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets or toys perhaps?

7 Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

8 Use an old sock to create a puppet. Can you put on a puppet show for someone?

9 Make a list of all the electrical items in each room of your home. Can you come up with any ideas to use less electricity?

10 Design and make a homemade board game and play it with your family.

11 Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

12 Can you create a story bag? Find a bag and collect items to go in it that relate to a well known story. If you can't find an item, you could draw a picture to include.

13 List making! Write a list of things that make you happy, things you're grateful for or things you are good at.

14 Design and make an obstacle course at home or in the garden. How fast can you complete it?

15 Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.

16 Keep moving! Make up a dance routine to your favourite song.

17 Write a play script. Can you act it out to other people?

18 Read out loud to someone. Remember to read with expression.

19 Write a song or rap about your favourite subject.

20 Get sketching! Find a photograph or picture of a person, place or object and sketch it.

21 Junk modelling! Collect and recycle materials such as yoghurt pots, toilet rolls and boxes and see what you can create with them.

22 Draw a map of your local area and highlight interesting landmarks.

23 Write a postcard to your teacher. Can you tell them what you like most about their class?

24 Draw a view. Look out of your window and draw what you see.

25 Get reading! What would you most like to learn about? Can you find out more about it in books? Can you find a new hobby?
