

Maths Home Learning Activities

Longer or shorter

Find objects in your house and order them from longest to shortest.

Challenge: can you use a tape measure to calculate the length?

Shape hunt

Go on a shape hunt around your house. Draw and label 2D and 3D shapes you can see during the hunt.

Challenge: Can you count how many vertices your shape has?

Think of number

A game for everyone! Think of a number and try to explain to someone else. Can you give them enough clues to guess the number?

Money

Make a shop at home and be the shopkeeper. Can you work out how much change your family would need if they bought something?

Challenge: How many ways can you make £10 using different coins?

Times Tables

Time yourself writing your 4- and 8-times tables.

Can you do this more than once to try and improve your time? You can also versus someone in your family!
