

## Y6 Home Learning Activities Updated 18.05.20

Each child is expected to complete at least 30 minutes of maths and reading every day. In addition to this, the children can work on some of the activities in the grid below. If possible, can the finished work be shared on Seesaw.

<p><b>1. Read</b> a book with a science fiction theme (e.g. Marvel, Star Wars, Justice League). If you don't have a book at home, try looking on the internet for information about them.</p>	<p><b>4. Find</b> out about Mackenzie Thorpe, a famous artist that was born and raised in Middlesbrough. What does he draw and who does he draw for? Can you find any of his artwork that shows Middlesbrough has been an influence?</p>	<p><b>7. Complete</b> the sudoku. Each horizontal and vertical row contains the numbers 1 - 9. Each small square contains the numbers 1 - 9. Can you complete the grid?</p> <table border="1" style="margin: auto;"> <tr><td>5</td><td></td><td></td><td></td><td>8</td><td>6</td><td></td><td></td><td>1</td></tr> <tr><td></td><td></td><td>2</td><td>7</td><td></td><td>1</td><td>6</td><td></td><td></td></tr> <tr><td></td><td>7</td><td>1</td><td></td><td></td><td></td><td>2</td><td>5</td><td></td></tr> <tr><td>9</td><td>1</td><td></td><td></td><td>2</td><td></td><td></td><td>7</td><td></td></tr> <tr><td>3</td><td></td><td></td><td>1</td><td>4</td><td>5</td><td></td><td></td><td>6</td></tr> <tr><td></td><td>6</td><td></td><td></td><td>9</td><td></td><td></td><td>2</td><td>4</td></tr> <tr><td></td><td>5</td><td>3</td><td></td><td></td><td></td><td>4</td><td>6</td><td></td></tr> <tr><td></td><td></td><td>8</td><td>9</td><td></td><td>3</td><td>5</td><td></td><td></td></tr> <tr><td>2</td><td></td><td></td><td>5</td><td>1</td><td></td><td></td><td></td><td>7</td></tr> </table>	5				8	6			1			2	7		1	6				7	1				2	5		9	1			2			7		3			1	4	5			6		6			9			2	4		5	3				4	6				8	9		3	5			2			5	1				7
5					8	6			1																																																																										
		2	7		1	6																																																																													
	7	1				2	5																																																																												
9	1			2			7																																																																												
3			1	4	5			6																																																																											
	6			9			2	4																																																																											
	5	3				4	6																																																																												
		8	9		3	5																																																																													
2			5	1				7																																																																											
<p><b>2. Create and draw</b> your own superhero. Make sure you label all its special features and give it a name.</p>	<p><b>5. Choose</b> your favourite Mackenzie Thorpe artwork. Write a short description explaining what makes it appeal to you.</p>																																																																																		
<p><b>3. Write</b> a description of your made-up superhero giving details of its name, where it lives, who its enemies are, its secret identity, costume it wears, its powers and one weakness.</p>	<p><b>6. Draw</b> your own piece of artwork in the style of Mackenzie Thorpe. Can you show how Middlesbrough has influenced your artwork?</p>	<p><b>8. Design</b> a maths poster that will help your classmates understand a tricky maths idea. E.g. Dividing fractions, finding percentages of amounts etc. Include pictures and a step-by-step example that explains your strategy.</p>
