

Y6 Home Learning Activities

Each child is expected to complete at least 30 minutes of maths and reading every day. In addition to this, the children can work on some of the activities in the grid below.

<p>Read a fiction story. It can be from a book you have at home or one from Reading Plus.</p>	<p>Find out information about an animal that lives in the Arctic or Antarctic.</p>	<p>Play Connect 4.</p> <p>You will need: Two different coloured pencils/pens and two dice.</p> <p>Instructions: Each player choses a different colour to cross off their numbers. Then roll two dice. The numbers that are on the dice must be either added or subtracted. The number you get from this is then crossed off the grid. The winner is the first person to join 4 numbers vertically, horizontally or diagonally.</p> <table border="1" style="float: right; margin-top: 20px;"> <tbody> <tr><td>1</td><td>5</td><td>4</td><td>7</td><td>0</td></tr> <tr><td>7</td><td>12</td><td>9</td><td>1</td><td>11</td></tr> <tr><td>8</td><td>2</td><td>6</td><td>4</td><td>5</td></tr> <tr><td>3</td><td>10</td><td>8</td><td>9</td><td>12</td></tr> <tr><td>12</td><td>11</td><td>5</td><td>8</td><td>10</td></tr> </tbody> </table>	1	5	4	7	0	7	12	9	1	11	8	2	6	4	5	3	10	8	9	12	12	11	5	8	10
1	5	4	7	0																							
7	12	9	1	11																							
8	2	6	4	5																							
3	10	8	9	12																							
12	11	5	8	10																							
<p>Write a description of a character you have been reading about in your book.</p>	<p>Draw a picture of the character you described from the book you are reading.</p>	<p>Teach a member of your family how to multiply a fraction by a fraction. E.g. $\frac{1}{3} \times \frac{3}{4}$</p>																									
<p>Write a diary entry to show your thoughts and feelings during first day of school closure.</p>	<p>Find out ten facts about the Arctic and Antarctic. Present them in an interesting and eye-catching way.</p>	<p>Draw a 3-D shape.</p> <div style="text-align: center;">  </div>
