

# Archibald Primary School – Remote Learning

## Year Reception - Summer Term

As you are unable to attend school, please use the links below to access activities to support the learning that you would have been undertaking if you were able to attend school.

Your teacher will be in touch with you throughout each week on See Saw to see how you are getting along and to set you some individual challenges. Don't forget to share your work with your teacher on See Saw, and to complete appropriate activities in your Remote Learning book which you should bring in to school when you return.

**If you need to borrow a school ipad in order to access these activities, please contact the school office as soon as possible and we can arrange for one to be issued to you.**

As well as the activities listed week by week please don't forget to regularly:

- Practise letter formation and handwriting by writing your full name and simple sentences.
- Practise number recognition and formation.
- Counting forwards and backwards to 10, then 20.
- Listen to stories and make up stories!
- Do regular exercise at home!
- Check out Joe Wickes and Cosmic Yoga on YouTube!
- Get involved with doing jobs at home such as washing the pots, making breakfast, pairing up socks!

Our topic this Summer 1 term is '**Blast Off!**' and Summer 2 is '**Minibeasts**'.
