

Get wonderful news about your child's learning and success.

MarvellousMe is an exciting app that tells you about the wonderful things that your child is learning and alerts you when they've been praised for good work or a great character skill.

It makes you smile, feel proud, and inspires better home learning support and encouragement.

The benefits of using the app are:

- ✓ Experience your child's school day - Get alerts every time your child's teacher posts an activity, awards your child a badge, or sends you a message. Safely share the news with the whole family.
- ✓ Support your child's learning and development - Have more meaningful conversations with your child about school and practise topics together. Your involvement will have the biggest impact on their ongoing success.
- ✓ Celebrate your child's success - Smile every time your child gets a badge. Tell them how proud you are and reinforce their good work and positive behaviours.
- ✓ Keep up-to-date - Get messages and reminders from your child's teacher and 'Hi5' them back.
