

Archibald Primary School

Pupil Premium Report and evaluation – July 2020

Pupil premium spending current academic year (2019-2020)

SUMMARY INFORMATION

| | | | |
|--|--------------------|------------------------------------|------------------|
| Date of most recent pupil premium review: | | Date of next pupil premium review: | Spring Term 2021 |
| Total number of pupils (R-Y6) | 416 | Total pupil premium budget: | £264, 000 |
| Number of pupils eligible for pupil premium: | 219 (October 2019) | | |

STRATEGY STATEMENT

Main barriers to educational achievement for disadvantaged pupils

Archibald Primary School serves an area of high deprivation with high numbers of pupils in receipt of free schools meals. The majority of our children live in Ayresome and Gresham wards where there is a high level of overcrowding and very few adults have accessed higher education, despite the close proximity of the university. This tends to reflect the fact that the majority of our children do not come from homes where education is prioritised. The schools IDACI rank (2019 data) is 1880 (5.7% most deprived) and the average IDACI pupils is 1932 (5.9% most deprived). 88% of pupils are in the top 10% most deprived, 55% in the top 5% most deprived and 15% in the top 1% most deprived areas in the country.

The school community is predominantly white British; however an increasing number of our children are from minority ethnic groups who have English as an additional language. Autumn 2019 census data indicates there are 23 different languages spoken in the school. Central Middlesbrough houses many asylum seekers, refugees and economic migrant workers. They are a very transient and fluid population and the children enter Archibald throughout the year into all year groups from Nursery to Y6 with little or no English. Inward mobility is increasing amongst all groups of pupils in all year groups.

What has worked well

- Additional staffing in Reception has resulted in school outcomes exceeding national outcomes for all pupils at the end of EYFS. Attainment of disadvantaged pupils (PP) exceeded that of pupils not eligible for PP. The average point score of disadvantaged pupils (PP) exceeded that of pupils not eligible for PP.
- Additional staffing in Y1 has resulted in school outcomes of disadvantaged pupils (PP) exceeded that of pupils not eligible for PP in the Y1 Phonic Screening Check. The percentage of all pupils passing the check matches the national average.
- Additional staffing in KS1 has resulted in school outcomes for disadvantaged pupils exceeding those for non-disadvantaged pupils (RWM combined at EXS). In reading, in writing and in mathematics, outcomes for disadvantaged pupils (PP) meet or exceed those for non-disadvantaged pupils and the national average at EXS.
- Additional staffing in KS2, resulting in smaller class sizes organised in learning pathways and DIRT (dedicated improvement and reflection time) has resulted in school outcomes for disadvantaged pupils (PP) being in line with those for non-disadvantaged pupils and well above the national average (RWM combined at EXS). In reading, in writing and in mathematics,

there is no significant attainment gap between disadvantaged pupils (PP) and non-disadvantaged pupils. Outcomes are significantly above the national averages.

- Disadvantaged pupils (PP) and non-disadvantaged pupils attained above the national average in writing at above expected standard.
- Widening experiences through music, drama (RSC Associate School Programme), a planned programme of visits - including residential visits together with visitors to the school has impacted positively on all our pupils' cultural capital, helping to compensate the experience deficit of our most disadvantaged pupils.
- Pastoral support for vulnerable pupils and their families has helped improve attendance to be above national levels and contributed significantly to engagement in learning.

In 2019-20 we plan to:

- Maintain positive outcomes at the end of EYFS, ensuring that all pupils are KS1 ready.
- Maintain positive outcomes in the Y1 Phonic Screening Check so that pupils continue to be ready for the next stage in their learning journey and ensuring appropriate provision for Y2 pupils who did not pass.
- Address identified gaps in attainment of pupils who receive pupil premium funding – both at expected standard and above expected standard at both KS1 and KS2.
- Ensure pupils are fluent and prepared for the Y4 Multiplication Check – so they are prepared for the challenges of the UKS2 mathematics curriculum.
- Engage vulnerable pupils and their families in learning to maintain attendance at least at national. Ensure the most vulnerable pupils and their families are fully engaged and value learning.
- Continue to develop the cultural capital of our pupils through widening experiences including music, drama (RSC Associate School Programme), a planned programme of visits, including residential visits and visitors to the school.

Assessment information

| EYFS – 2019 OUTCOMES | | | |
|---------------------------------|--|----------------------------|------------------|
| | Pupils eligible for pupil premium (PP) | Pupils not eligible for PP | |
| | | School Average | National average |
| Good level of development (GLD) | 80% | 75.8% | 71.8% |
| Reading | 80% | 75.8% | 76.9% |
| Writing | 80% | 75.8% | 73.7% |
| Number | 80% | 77.4% | 79.8% |
| Shape | 80% | 77.4% | 81.5% |

| EYFS – 2019 OUTCOMES | | | |
|----------------------|------|------|--|
| Average Total Points | 33.4 | 33.1 | |

| YEAR 1 PHONICS SCREENING CHECK | | |
|--------------------------------|----------------------------|------------------|
| Pupils eligible for PP | Pupils not eligible for PP | National average |
| 86.2% | 78.6% | 82% |

| END OF KS1 - 2019 OUTCOMES | | | |
|--|------------------------|----------------------------|------------------|
| | Pupils eligible for PP | Pupils not eligible for PP | |
| | | School average | National average |
| % achieving expected standard or above in reading, writing and maths | 75.9% | 74.1% | (60.6%) |
| % achieving expected standard or above in reading | 82.8% | 77.6% | 75% |
| % achieving expected standard or above in writing | 75.9% | 74.1% | 69% |
| % achieving expected standard or above in mathematics | 75.9% | 75.9% | 76% |
| % achieving above expected standard in reading, writing and maths | 6.9% | 17.2% | (9.6%) |
| % achieving above expected standard in reading | 13.8% | 25.9% | 25% |
| % achieving above expected standard in writing | 10.3% | 19% | 15% |
| % achieving above expected standard in mathematics | 6.9% | 19% | 22% |

|---------------------------------------|-----|-----|--|
| % making expected progress in writing | 90% | 89% | |
| % making expected progress in maths | 84% | 85% | |

| END OF KS2 - 2019 OUTCOMES (UNVALIDATED BASED ON COHORT OF 53 PUPILS) | | | |
|---|------------------------|----------------------------|------------------|
| | Pupils eligible for PP | Pupils not eligible for PP | |
| | | School average | National average |
| % achieving expected standard or above in reading, writing and maths | 80% | 83% | 65% |
| % achieving expected standard or above in reading | 86% | 87% | 73% |
| % achieving expected standard or above in writing | 97% | 94% | 79% |
| % achieving expected standard or above in mathematics | 86% | 88% | 79% |
| % achieving above expected standard in reading, writing and maths | 3% | 8% | 11% |
| % achieving above expected standard in reading | 20% | 23% | 27% |
| % achieving above expected standard in writing | 23% | 28% | 20% |
| % achieving above expected standard in mathematics | 20% | 24% | 27% |
| % making expected progress in reading | 82% | 78% | |
| % making expected progress in writing | 97% | 94% | |
| % making expected progress in maths | 91% | 94% | |

Barriers to learning

BARRIERS TO FUTURE ATTAINMENT

Academic barriers:

| | |
|---|---|
| A | The language and communication skills on entry to school are significantly lower than that would be regarded as typical for many children of a similar age |
| B | Disadvantaged pupils (PP) are not achieving as well as non-disadvantaged pupils at the higher at the higher standard in reading, writing or mathematics at KS1. |
| C | Disadvantaged pupils (PP) are not achieving as well as non-disadvantaged pupils at the higher at the higher standard in reading, writing or mathematics at KS2. |
| D | Poor cultural capital, especially for our most vulnerable pupils due to experience deficit. |

ADDITIONAL BARRIERS

External barriers

| | |
|---|---|
| E | A high proportion of disadvantaged pupils are identified by school, and other agencies, as vulnerable. They are exposed to a wide range of risk factors that affect mental health, family unity, prosperity, attendance, punctuality and educational success. Some of these pupils' behaviours put them at risk of exclusion. |
| F | A high proportion of poor health routines, including poor diet and dental health have an adverse effect on children's well-being and attendance. |
| G | Low aspirations and parental engagement amongst a number of our vulnerable families |

| | |
|---|--|
| H | High mobility, including an increasing number of pupils who arrive in school with very little or no English, many having not been in full time education for a significant amount of time. |
|---|--|

| INTENDED OUTCOMES | | |
|-------------------|---|---|
| Specific outcomes | | Success criteria |
| A | Communication and language skills improve by the end of EYFS. | Pupils to attain the ELG. |
| B | Disadvantaged pupils attain in line with national outcomes at above expected standard in reading, in writing and in mathematics with no in school gap. | End of key stage 1 outcomes for above expected standard at least in line with national. |
| C | Disadvantaged pupils attain in line with national outcomes at above expected standard in reading, writing and mathematics (combined) with no in school gap. | End of key stage 2 outcomes for above expected standard at least in line with national. |
| D | Provide children with engagement and co-curricular activities they may otherwise not experience to increase cultural capital. Children are reading with pleasure when not in school. | Children participate in school visits and a range of engage and express events to enhance the curriculum which they would not normally have access to Children are members of Middlesbrough Library Children reading a range of quality texts when not in school. |

| | | |
|---|--|--|
| E | Children and their families are well supported in an inclusive, nurturing environment. They have access to healthy routines, including diet. Families are supported by the pastoral care team to overcome any challenges they may encounter. | <p>Children feel happy, safe and listened to in school.</p> <p>Children and families receive the correct support from a range of practitioners in school.</p> <p>Attendance rates continue to improve and remain at least at national</p> <p>Reduction in number of persistent absentees</p> <p>Improved punctuality for target families</p> |
| F | A reduction in the negative impact of poor health routines, including poor diet and dental health on pupil's well-being, attendance and attainment. | <p>Children and families receive the correct support from a range of practitioners in school and signposting to services in the community.</p> <p>Health services accessible in and through school for pupils and their families.</p> |
| H | Parents/carers of vulnerable families involved in their children's learning | <p>Improved attendance at triangulation meetings for vulnerable families.</p> <p>Attendance at Stay and learn events</p> <p>Engagement with PTFA</p> <p>Parent/carer engagement in curriculum events (eg workshops, express events etc)</p> |
| G | Pupils admitted to school are welcomed and well supported in an inclusive, nurturing environment in order to start to make academic progress. | <p>School of Sanctuary achieved</p> <p>IQM achieved</p> <p>Language ambassadors</p> <p>Equality Council</p> |

Planned expenditure for current academic year

| ACADEMIC YEAR 2019 - 2020 | | | | | |
|---|--|--|--|---|--|
| Quality of teaching for all | | | | | |
| Intended outcome | Action | What's the evidence and rationale for this choice? | How will you make sure it's implemented well? | Staff lead | When will you review this? |
| Communication and language skills improve by the end of EYFS. | Additional TA support in Reception Class | Effective strategy was successful in 2018 - 2019 | Monitoring impact half termly through Standards Team meetings, data analysis, report to governing body and observation of practice | Reception TLR Pupil Premium Champion | Half termly review as part of Standards Team EMD Standards Team |

| | | | | | |
|---|---|--|--|---|--|
| Disadvantaged pupils attain in line with national outcomes at above expected standard in reading, in writing and in mathematics with no in school gap in KS1. | Additional staffing in Y1 Y1 progress group teacher (0.5) Additional TA support (1.0) Reading Recovery leader(0.5) | See below | Monitoring impact termly through Standards Team meetings, data analysis, report to governing body and observation of practice | Y1 TLR Pupil Premium Champion | Termly review as part of Standards Team EMD Standards Team |
| | Additional staffing in Y2 Y2 progress group teacher (0.3) Additional TA support (1.0) | Effective strategy was successful in 2018 – 2019 at KS1 EXS (RWM gap narrowed from -4 to +2 2018-2019) | Monitoring impact half termly through Standards Team meetings, data analysis, report to governing body and observation of practice | Y2 TLR Pupil Premium Champion | Half termly review as part of Standards Team EMD Standards Team |
| Disadvantaged pupils attain in line with national outcomes at above expected standard in reading, in writing and in mathematics with no in school gap in KS2. | Y3 – Y5 Learning pathways:- Additional teacher (1.0) Additional TAs (2x1.0) DIRT Time (music) | See below | Monitoring impact termly through Standards Team meetings, data analysis, report to governing body and observation of practice | Y3, Y4, Y5 TLRs Pupil Premium Champion | Termly review as part of Standards Team EMD Standards Team |
| | Y6 Learning pathways:- Additional teacher (2x 1.0) Additional TAs (2x TA2, 1x TA3) DIRT Time (PE) | Effective strategy was successful in 2018 – 2019 at KS2 EXS (RWM gap narrowed from -3.8 to -3 2017-2019) | Monitoring impact half termly through Standards Team meetings, data analysis, report to governing body and observation of practice | Y6 TLR Pupil Premium Champion | Half termly review as part of Standards Team EMD Standards Team |

| | | | | | |
|---|-------------------------|---|--|--------------------------------------|---|
| Disadvantaged pupils attain in line with national outcomes at above expected standard in reading, in writing and in mathematics with no in school gap in KS1 and KS2. | Re-enrol as PiXL School | PiXL is an integral aspect of our work in school. The approaches are embedded both KS1 and KS2 and is seen as an established way of working. This is having a sustainable positive impact on attainment and progress at EXS demonstrated through Archibald consistently being above national averages at KS2 and moving towards or exceeding national averages at KS1. | Monitoring impact half termly/termly through Standards Team meetings, data analysis, report to governing body and observation of practice. Y6 PiXL meetings Y2 PiXL meetings PiXL language of assessment (common currency) PiXL tests and analysis to identify gaps PiXL therapies to fill gaps | RSL/DHT Pupil Premium Champion | Half termly/Termly review as part of Standards Team EMD Standards Team |
| | | | | Total budgeted cost: | £484,630 |
| | | | | Contribution from Pupil Premium: | £204,825 |

| | | | | Total budgeted cost: | £14,000 |
| | | | | Contribution from Pupil Premium: | £6150 |

ADDITIONAL INFORMATION

The planned action in order to meet our intended outcomes have a financial implication which exceeds our pupil Premium Allocation for 2019 - 2020. We plan to use part of our school budget in order to ensure that our intended outcomes are achieved. We have found this to be an effective strategy in previous years.

| | | | | | |

All pupils GDS – 28.8%
 PP pupils GDS – 18.2%

All pupils EXS – 88.4%
 PP pupils EXS – 87.6%

There is a gap in attainment at GDS (Combined) between PP and non- PP pupils.
 At EXS the gap is very small.

Action: to target GDS (combined) for all pupils remains a school priority, with a focus on disadvantaged pupils.
 GDS tracker is helping with early identification of these pupils in Y3, Y4 and Y5

£74,156 (PP)
 £93,203 (SB)
