## **Welcome back to the Summer Term 2024.**

The Summer term is always a very busy term in school and this year is no exception.

In May we will be holding our regular **Democracy Week**. In addition to learning about the British Value of democracy, pupils will put this into practice as they vote for their new School Council representatives.

May is also **KS2 Assessment Week** for our Y6 pupils.

We will also be hosting a **Shakespeare Festival** in school during May in which we will join with other primary and secondary schools to perform Romeo and Juliet.

In June Y1 pupils will complete the **Phonics Screening Check** and Y4 pupils will complete the **Multiplication Tables Check**.

Later in the term we will be holding our **Health and Fitness Week** which once again will include our **Archibald Sports Days**. Throughout the term we will also be sending sports teams to compete in competitions and festivals with other Middlesbrough and Tees Valley Primary Schools

## Y5 Peat Rigg Adventure 2024

Thirty-one Y5 pupils spent the final week of the Spring Term at Peat Rigg outdoor Training Centre near Pickering in North Yorkshire for a week of challenges, adventure and fun! Throughout the week they continued to demonstrate fantastic growth mindset, determination and resilience.

For many of these pupils it was their second residential experience, having attended Carlton Adventure near Stokesley when they were in Y4. The pupils were able to recall the skills and knowledge from their experience in Y4 and apply it to the new challenges and adventure days at Peat Rigg as Y5 pupils through activities such as bushcraft, ziplining, low ropes challenge, problem solving, stream walks and abseiling.

### A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

**Many young people who are victims of cyberbullying suffer in silence.**

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

**It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.**

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

**Parents** please contact your school to enquire attending their next e-safety workshop or have any concerns.
