Class 13 – Logan Nash
Class 14 – Katie Jackson
Class 15 – Aaron Costello
Class 16 – Alfie Mackin
Class 17 - Maisy Stockton
Class 18 – Tyler Nugent
Class 19 – Maimona Munim

Golden Rule of the Week

“Share your problems and celebrate your achievements”

Teachers will be rewarding pupils who follow the Golden Rule in our assemblies on Friday.

This year, the theme for Comic Relief is Share a Smile.

On Friday 19th March 2021

We would like you to come to school wearing
Something Which Makes You Happy

Here are just a few ideas...

Super Hero Costume

PJs

Christmas Jumper

Party Clothes

Football Kit

Onesies

Tracksuit

Fancy Dress

Princess Dress

We are hoping that everyone joins in and helps to spread smiles across the whole school!

You can help spread smiles further by donating to **Middlesbrough Foodbank**. Please bring in donations on Friday 19th. Our collection point will be in the main reception

Remote Learning will continue for pupils who are unable to attend school because they are shielding or because they have to isolate due to themselves or a close contact testing positive for COVID19.

Archibald Primary School Safeguarding Leads: Mrs E Verheyen , Mrs S Walker, Mrs A Jefferies

Diary Dates

THIS WEEK

Monday 15th March

Spring Term Progress reports sent to parents/carers

Friday 19th March

Reception	8.30am	2.30pm
Y1	8.35am	2.35pm
Y2	8.40am	2.40pm
Y3	8.55am	2.55pm
Y4	8.50am	3.00pm
Class 10	9.30am	2.00pm
Y5	8.50am	2.50pm
Y6	8.45am	3.00pm

COVID19 Testing

Undertaking regular, rapid coronavirus (COVID 19) testing helps reduce transmission of the virus. Parents and other adults in households with children at school or college, who do not have symptoms, can now access rapid coronavirus (COVID19) testing. This includes childcare and support bubbles.

Tests are fast, easy and free. There are different ways for a household, childcare or support bubble to collect their test to take at home, twice weekly.

Take a test at a rapid lateral flow test site

You can take a rapid lateral flow test at a local site. Testing at these sites is assisted, which means you will swab yourself under the supervision of a trained operator. You may need to book an appointment.

Collect test kits

You can collect 2 packs of home test kits at a local collection point. Each pack contains 7 tests. Anyone 18 or over can collect. Most collection points are open from 1.30pm to 7pm. You can check online if the location is open or busy before you go. You do not need to make an appointment.

Order home test kits online

If you are unable to go to a test site or collect test kits, you can order a home test kit online. Do not order online if you can get a test through other methods. This frees up home delivery for those who need it most.

The closest rapid lateral flow test sites where you can take a test for free or can collect a test to administer at home are:-
Newport Hub
Middlesbrough Sports Village
North Ormesby Community Hub.

THANK YOU

A big thank you to all the parents and carers who are continuing to help keep our school site safe by observing our one-way system and by wearing a face covering on the school site.

Unfortunately we have a small number of parents and carers who try to enter through the exit only route to Barnaby Avenue.

There are also a small number of parents/carers removing their masks once they have passed through the school gates. This is unsafe as you are putting yourself, your children and their friends at higher risk.

Please remember to observe social distancing on the school site – keeping at least 2m apart from other adults and children. You can help yourself and others achieve this by keeping your children standing near you whilst you are waiting for school to start – not running around in the playgrounds.
