Remote Learning Update

Thank you for your support!

Thank you to all the parents and carers who have been supporting their children with remote learning activities over the past week. There has been some fantastic work shared with teachers on Seesaw.

Remote Learning is not easy and the teachers value the efforts that everyone is making.

Phone Calls Home

This week teachers have started to call home to speak to parents and children in connection with their remote learning. If you need to speak to your child's teacher, please request a phone by messaging through Seesaw or through contacting the school office. All teachers now have dedicated time each week when they can make and return calls.

iPads

We apologise for the slight delay in getting ipads out to all the families who have requested them. There are some technical difficulties with getting the correct software uploaded onto the ipads but this is being sorted. We will let you know when your allocated iPad is ready for collection. We hope to have all the ipads ready for collection later this week.

Remote Learning Journals

A number of parents and carers have requested paper resources to help with Remote Learning. We have listened and now have a Remote Learning Journal for all pupils (Reception - Y6). If you have not yet collected your child's Remote Learning Journal these can be collected from the school office.

Remote Learning Awards

This week we will be launching our Remote Learning Awards. Mrs Jefferies will be contacting teachers and asking them to nominate children in their class to be Remote Learners of the week. Each pupils nominated will receive a special award.

See the final page of this newsletter for some great links to online stories, and help with developing remote learning routines.

SCHOOL MEAL VOUCHERS

You will be aware that since the start of the current lockdown we have been offering food parcels for pupils entitled to free school meals.

The Government have recently announced that they are once again starting the voucher scheme for pupils entitled to free school meals and we will be looking to switch back to this scheme as soon as we can.

In order to receive the vouchers, we need to have your up to date email address. If your email address has changed since the summer lockdown, or your child is new to our school and you think we may not have your current email address please let us know.

You can call the school office (01632 804 101 ext 4), or email the school email account: (archibald@mcschools.org.uk)

This is **Izzie Initiative** and this week is Initiative Week. Teachers will be looking to reward pupils who show exceptional initiative in their learning in school or at home as stars of the week this week.

Department for Education's offer to increase mobile data allowances for children and young people

Privacy Statement

1. For the purposes of data protection, I need to let you know that the Department for Education (DfE) is running the Mobile Network Offer through schools and their trusts or local authorities.
2. If the offer is taken up by an adult account holder, the school or social care team will share the account holder's name and mobile phone details with the DfE, who will share these with the relevant mobile network operator.
3. The mobile network operator will use that information to increase the data available for the account holder's mobile device, as long as they qualify for the offer.
4. The adult account holder's personal data is only shared with their mobile network operator for the purposes of the offer. No names of children or other adults, other than adult account holder, are shared with the DfE or the mobile network operator.
5. No personal information will be shared with the DfE if you do not want to take up the offer.
6. If you want to know more about how your personal information will be used before you take up the offer, we can send that to you first.
7. If you decide to take up the offer, you'll get a text message from the Department for Education with more information about your data protection rights

To take advantage of this offer please contact the school office. You will need to confirm that you have read and understood this privacy notice.

CAMHS have another online **Anxiety workshop for parents and carers** running on 25th January. **Please see information** below for more information.

Tees, Esk and Wear Valleys
NHS Foundation Trust

Child & Adolescent Mental Health Service
Virtual Workshops for Parents and Carers

The following online workshop is now available to book on to, which will be delivered live and free of charge via Microsoft teams for parents and carers in Teesside.

Understanding Anxiety
Monday 25th January 2021, 10am-11am

Understanding Anxiety:

We will explore what may contribute to children and young people's anxiety and look at how we can build their resilience. We will also consider what help and support young people experiencing anxiety may need.

To access the CAMHS parents and carers workshops, please contact:
TEWV.CAMHS-Training@nhs.net

And provide the following information:

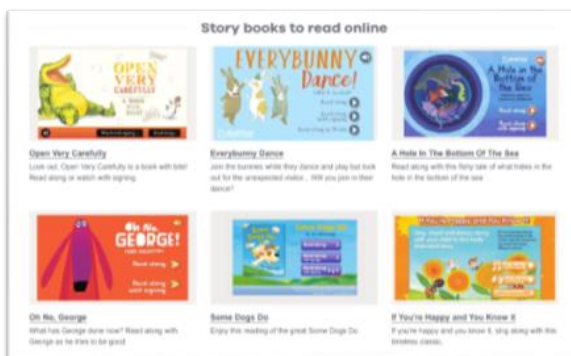

- Which workshop(s) you would like to access
- Your name
- Email address
- Which locality you live
- The school(s) your child(ren) attend
- Age(s) of your child(ren)

Please see our webpage
www.TEWV.nhs.uk/CAMHSTraining
for more workshops becoming available!

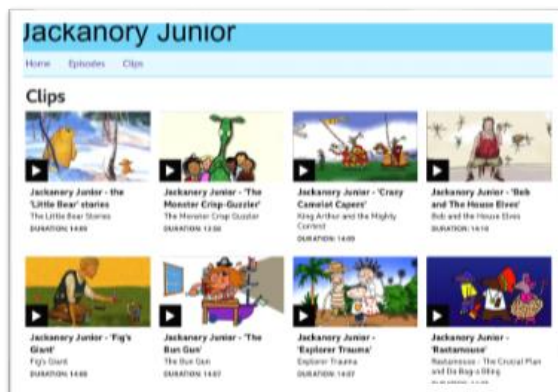

Details of all training running for parents and carers can be found at www.TEWV.nhs.uk/CAMHSTraining

Focus on Stories

There are some great **FREE** websites available that have a range of celebrities reading some fantastic stories. Why not log in and listen to a different story each day, then share what you have listened to with your teacher on Seesaw? There is a great range of stories - something for everyone!

The Learning at Home Checklist

Routines can help support good behaviour and help as you and your family find a new daily routine.

Try this checklist to help you and your child/ren plan your new routines.

You might even come up with a new list together with your child!

The Home Learning Routine Video

Consistent routines can be a struggle at home with changes to our home working and learning. Routines can be helpful in supporting positive behaviour and general well-being. They can also help as you and your family find a new daily routine.

You could watch this video with your child and use it to talk about the days ahead and goals they might have. Praise them for the things they are already doing. How can they become more independent in planning their time?
