Electronic Payments

Following requests from a number of parents and carers, we will be launching electronic payment options from September 2021. From the start of the Autumn Term, you will be able to pay for school meals, breakfast provision, school visits, book bags etc electronically using your computer, tablet or mobile phone.

Further information will be sent out electronically from our payment partner School Money at the start of the summer holiday. Please try to ensure any outstanding debts for lunch money or breakfast provision are paid in the next few weeks in order to ensure a smooth launch of this service. We will still be able to receive cash payments into school but would prefer electronic payments once the system is up and running.

Health and Fitness Week 2021

Our Health and Fitness week will take place in week beginning Monday 5th July.

The theme for the week this year will be Self Regulation - Be kind to yourself - with a strong emphasis on pupils being aware of and protecting their own wellbeing and helping others do the same.

As part of this week all pupils will be participating in some physical activity based around fundamental skills – These skills are the “building blocks” for more complex and specialised skills that children will need throughout their lives to competently participate in different games, sports and recreational activities.'

Sports day events will take place in year group bubbles on the following dates:-

Monday 5th – Year 2 and Year 3

Tuesday 6th – Year 1 and Reception

Wednesday 7th – Year 4

Thursday 8th – Nursery

Friday 9th Year 5 and Year 6.

Pupils will be able to come into school in their PE kits for the day on their sports day. Unfortunately due to COVID19 restrictions parents/caers will be unable to attend but teachers will be sharing photographs of the events on SeeSAW and on our school Facebook and Twitter accounts.
