## Anti Bullying Week

This week is Anti-bullying week and all children will be engaging in a range of activities relating to this theme.

The week was launched with a special assembly on Monday morning led by Kate Hillyard and our 'A' Team. During this assembly members of our 'A' Team were presented with their silver awards in recognition of the work they have completed with Kate.

On Tuesday all pupils in KS1 and KS2 will take part in workshops led by Kate and the 'A' Team. During this week Miss Spark will be launching Tootoot – a website where KS2 pupils can report any worries or instances of bullying. Information, together with usernames and passwords will be sent home with KS2 pupils this week.

## Y4 Swimming

Y4 will be going swimming every afternoon this week and next week. They will need their swimming kits in school each day.

## Questionnaire Feedback

Thank you to all the parents and carers who completed and returned questionnaires.

**The feedback was very positive.**

100% of parents/carers told us that:-

- their child feels safe in school and that they make good progress.
- they feel that their child is well taught
- the school is well led and managed
- they receive valuable information about their child's progress
- they are happy with their child's experience at the school and would recommend it to another parent or carer.

Some parents/carers raised some minor concerns. These parents/carers will be contacted individually in order to address their concerns.

Many parents and carers also provided some fantastic positive comments which will be shared on the newsletter and put on display in school over the next few weeks.

Thank you for your continued support.
