Triangulation Meetings

There will be an opportunity for you to meet your child's teacher at a 'Triangulation Meeting' later this month. The meeting is an important meeting between you, your child and their teacher. At the meeting you will find out about what your child will be learning, how they will be learning and most importantly – how you can help at home. Appointments will be sent home in the next few weeks for meetings in week beginning September 19th and September 26th.

If you are unable to keep your appointment please contact the school office so another mutually convenient meeting can be arranged

Important Forms to Return

You should receive two important forms with this newsletter:-

- Consent for regular educational visits – please complete this form in full and return to school as soon as possible. This form gives permission for your child to join in school visits throughout the year. You will be notified of all visits in advance. If your child has not returned this form they will not be able to participate in school visits.
- Consent to use Photographs – please sign and return this form which gives us permission to use photographs and video of your children in our promotional material, on our school website and on our school twitter account.

Please complete and sign both forms and return them as soon as possible to your child's class teacher.

Over the next few weeks you will also be asked to sign our home school partnership agreement and our Acceptable use for internet and ICT use forms.
