Families of children in our school nursery enjoyed a Fairtrade cuppa at Nursery's Fairtrade Cafe as part of our recent Fairtrade Special Week.

Nursery children took on the role of waiters and waitress and served Fairtrade tea and coffee alongside scones with jam and cream.

A big thank you to all the parents, carers and family members who supported this event and help raise £76 for the Fairtrade Foundation.

How to support your child make the most of school

Here is some further advice on how to support your children make the most of the opportunities that school offers.

Working out a family routine

- Children like routine so try to have regular times for going to bed and getting up, mealtimes and family time.
- Make sure children have a healthy breakfast at home or at the school's Breakfast Club.
- Have a regular time for a meal together in the evening.
- Try to make time for homework, reading and talking together and bedtime stories.

Getting enough sleep

- Children need sleep to develop, to concentrate in school and to learn well.
- Under fives need up to 15 hours, primary children about 10 hours and even older children still need 9 hours.
- Too many late bedtimes can make it hard for children to learn.
- A good night's rest will help your child feel happy all day long. Our school nurse, Denise Bell can advise on sleep and bedtime routines.

Behaving well

- Agree clear and realistic rules and stick to them!
- Encourage your child to always say 'please' and 'thank you' and not to interrupt you or others when you are talking.
- Support school rules and encourage your child to follow these.
- Ask for help if your child's behaviour is proving difficult at home. Your first point of contact in school is Mrs Featherstone our Parent Support Advisor.
