8 weeks to go!

We will be celebrating Sports relief on **Friday 23rd March.**

In order to raise funds for this worthwhile cause we asking pupils to make a **donation of £1** to come to school wearing red sports wear.

Pupils will also be given an opportunity to participate in some fun sports activities throughout the day (weather permitting). In KS1 and KS2 this will involve taking part in some exciting Commando Jo activities.

How to support your child's physical wellbeing

Here is some advice from Family Action on how to help support your child's wellbeing.

Healthy eating

- Help your child to understand about a balanced diet and the importance of eating fruit and vegetables to keep them fit and healthy
- Encourage your child to try a variety of foods and dishes from around the world
- Let your child help when you bake and prepare family meals; it will help them understand about food and encourage them to be creative

Exercise and activity

- Support your child to exercise vigorously for at least 30 minutes each day
- Encourage your child to have at least one hobby involving exercise, such as dance, swimming or football
- Get out and about as a family; play tag in the park, go for a bike ride or plan a timed treasure hunt – it's more fun to do things as a family, or with friends

Body matters

- Book regular appointments with the optician and dentist, as well as frequent health checks and immunisations
- Exposure to cigarette smoke is damaging to your child's health; think before lighting up in front of them
- Talk to your child about the importance of personal hygiene, such as showering regularly, having clean PE kit and using deodorant when they need to
