This week we will be launching our Summer Term Family Challenge. The theme of our Summer Term Family Challenge this year is ‘World Cup Warriors’ and we are holding our challenge this year to tie in with the World Cup tournament which is taking place in Russia. The Summer Term Family Challenge will be launched in a special assembly on Friday morning and further information will be sent home later this week.

ATTENDANCE NEWS

Every School Day Matters

Our attendance target is 96%.

School attendance for last week was 94.6% which is below target. 😞

Keep trying everyone!

Attendance Hotline

01642 804 108

Please use this number to report pupil absence, or to contact our attendance officer Miss Smith. There is a facility to leave a message if Miss Smith is not at her desk

Packed Lunches

Pupils are able to opt for school lunches or bring a packed lunch from home to eat at lunchtime.

Parents and carers are reminded that no fizzy drinks, sweets or chocolate bars should be brought into school as part of a packed lunch. These are not healthy foods and drinks and as a school we encourage healthy eating habits.

- Lost Property -

Please help us to manage lost property by ensuring that all clothing in school is named. This helps us to ensure that where possible clothing is returned to its rightful owner. Please be aware that whilst every reasonable precaution is taken to protect pupil’s personal property, neither the school, nor its employees can accept any liability for loss or damage to that property, however that loss or damage has come about.

HEAD LICE

How to get rid of head lice

You can treat head lice without seeing a GP.

Treat head lice as soon as you spot them. You should check everyone in the house and treat them on the same day if they have head lice. There is no need to keep your child off school if they have head lice.

Use lotion or spray to treat head lice

You can use medicated lotions and sprays that kill head lice in all types of hair. You can buy these from pharmacies, supermarkets or online. Head lice should die within a day. Lotions and sprays come with a comb to remove dead lice and eggs.

Some treatments need to be repeated after a week to kill any newly hatched lice. Check the pack to see if they're OK for you or your child and how to use them.

If lotions or sprays don't work ask to speak to our school nurse (make an appointment at the office) or alternatively speak to your pharmacist about other treatments.

Some treatments aren't recommended because they're unlikely to work:

- products containing permethrin
- head lice "repellents"
- electric combs for head lice
- tree and plant oil treatments, such as tea tree oil, eucalyptus oil and lavender oil herbal remedies

If you don't want to use chemicals

You can buy a special fine-toothed comb (detection comb) online or from pharmacies to remove head lice and eggs.

There will be instructions on the pack to follow, but typically you:

- use the comb on wet or dry hair – although it usually works best on wet hair with conditioner
- comb the whole head of hair, from the roots to the ends
- repeat every few days for 2 weeks

You can't prevent head lice

There's nothing you can do to prevent head lice. You can reduce the risk of lice spreading by avoiding head-to-head contact.

Don't use medicated lotions and sprays to prevent head lice. This can irritate the scalp.

There's no need for children to stay off school, or to wash laundry on a hot wash.
