Opportunity to get FREE school Uniform or a FREE school Bookbag!

Did you know that if your child is entitled to free school meals the school also receives extra funding?

We use this funding for a variety of things including helping keep class sizes small, providing additional adults to support teaching and learning and to subsidising school visits and residential visits.

We are asking all parents of pupils in Reception, Y1, Y2 or Y3 to check to see if their children are entitled to free school meals. Even if you do not want your child to eat the meals, the school will still receive the additional funding. Once your entitlement is clarified your child will continue to receive free school meals until 2022 – you do not need to apply again. This could save you over £360 a year once they get to Y3.

Checking your child's entitlement is easy. You just need to contact Stockton Borough Council (☎01642 526605) and they will do the check for you. If you need support with this please contact the school office and someone from our admin team will be happy to help.

Any successful applications received by the school during October and November will entitle the child to a FREE school jumper, polo shirt or one of our new school book bags!

As part of their #WakeUpWednesday campaign, National Online Safety has teamed up with MusicAlternative to launch a Fortnite online safety song. We have been asked to share this with the whole school community!

The song encourages parents and carers to "stay switched on" to online dangers when their children are playing Fortnite. We hope you love this video just as much as we do!

Word War 1 Week 2018

In the Week beginning Monday 5th November we will be holding our final World War One Week. This year we will be celebrating 100 years since the end of World War One. Throughout the week pupils will be learning about the war, about what started the war, what happened, and different ways in which it is remembered.

On Friday 9th November we will be holding a special **Remembrance Assembly** in collaboration with Macmillan Academy. As part of the assembly pupils will watch a special broadcast video introduced by Mr P Latham, CEO of Endeavour Academies, and containing a short film of Y5 Archibald pupils filmed at Beamish Museum. This video will also be broadcast throughout Macmillan Academy.

On Thursday 8th November we will be holding a special **Music Hall Celebration Event**. All pupils will be performing on the stage as we aim to recreate the celebrations held at the end of World War One – 100 years ago.

As part of this Celebration Event we are asking pupils to come to school dressed in clothing that would be worn in music halls in 1918. Please see below for some ideas but you are welcome to be as creative as you can to create the look. Please do not go to the expense of buying outfits or hiring them – the look, or something very similar, can be created quite easily with a bit of creative thinking.

We are hoping to have a video of the Music Hall Celebration available to share with parents and carers later in the term.

Thank you in advance for your support in this event.
