## Be E-Safety Savvy

This new regular feature on our newsletter is aimed at helping parents and carers to help their children keep safe online.

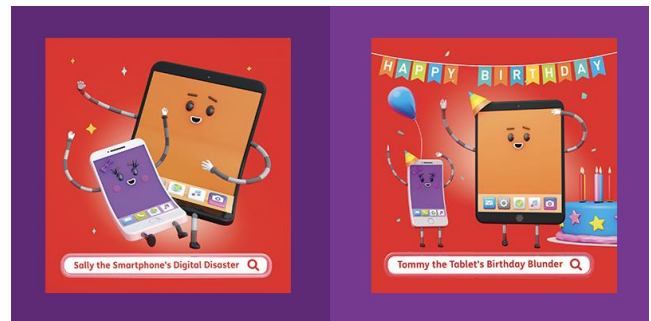

Please remember that if you are concerned about anything that your child has seen or heard online please contact Mrs Walker or Mrs Davison in school who can offer further help, support and advice

This week we are thrilled to introduce a great new, free resource:-

## Story Time

### A brilliantly engaging way to talk to children about online safety.

Story Time consists of two fun-packed books, full of quirky and colourful illustrations and based on relatable situations that will resonate with children.

The first - **Sally the Smartphone's Digital Disaster** - is all about helping children aged 4-7 manage their first devices. It helps them think about how they look after their new smartphone or tablet, and explains why it's important not to overdo screen time.

**Tommy the Tablet's Birthday Blunder**, aimed at children aged 7-11, covers the internet security essentials, like setting a secure password and not oversharing, in an effective but gentle tale of how things can go awry if we don't take care.

At the heart of the books are the ideas of being kind to others online, trying to put yourself in their shoes, and having respect for others.

Best of all – not only are they completely **free!** They are available in a number of community languages, including Czech and Romanian.

## SEND Drop in Clinics for Parents and Carers

These events will take place on the following dates:

- **Monday 11<sup>th</sup> February: 1:00pm – 2:30pm**
